Don't You Know Who I Am?

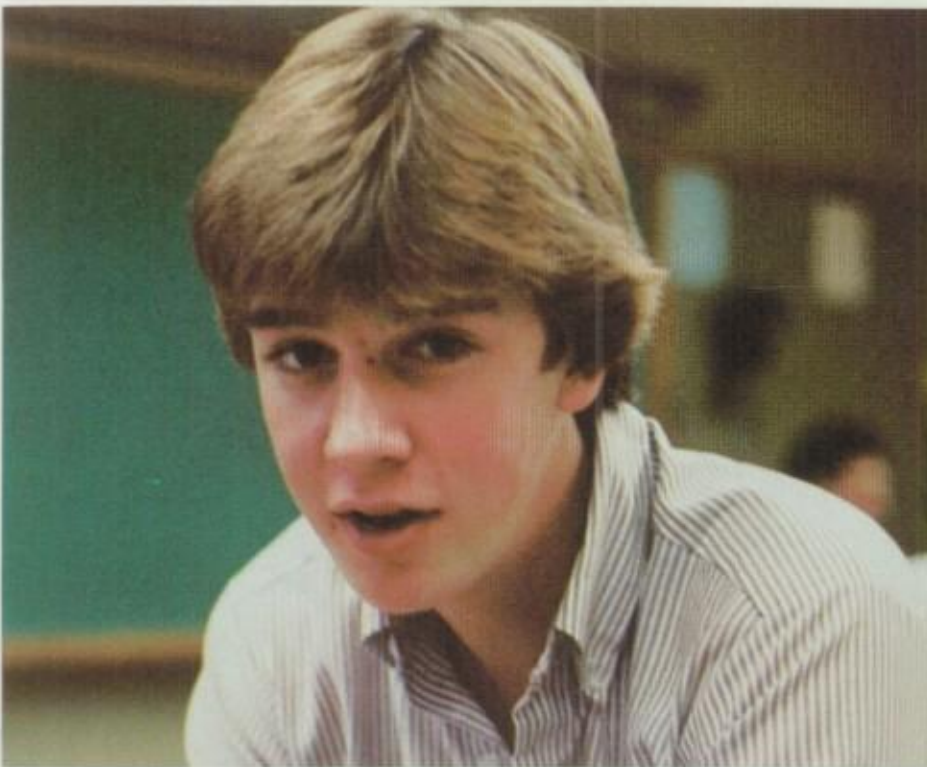

I'm Gonna Live Forever.

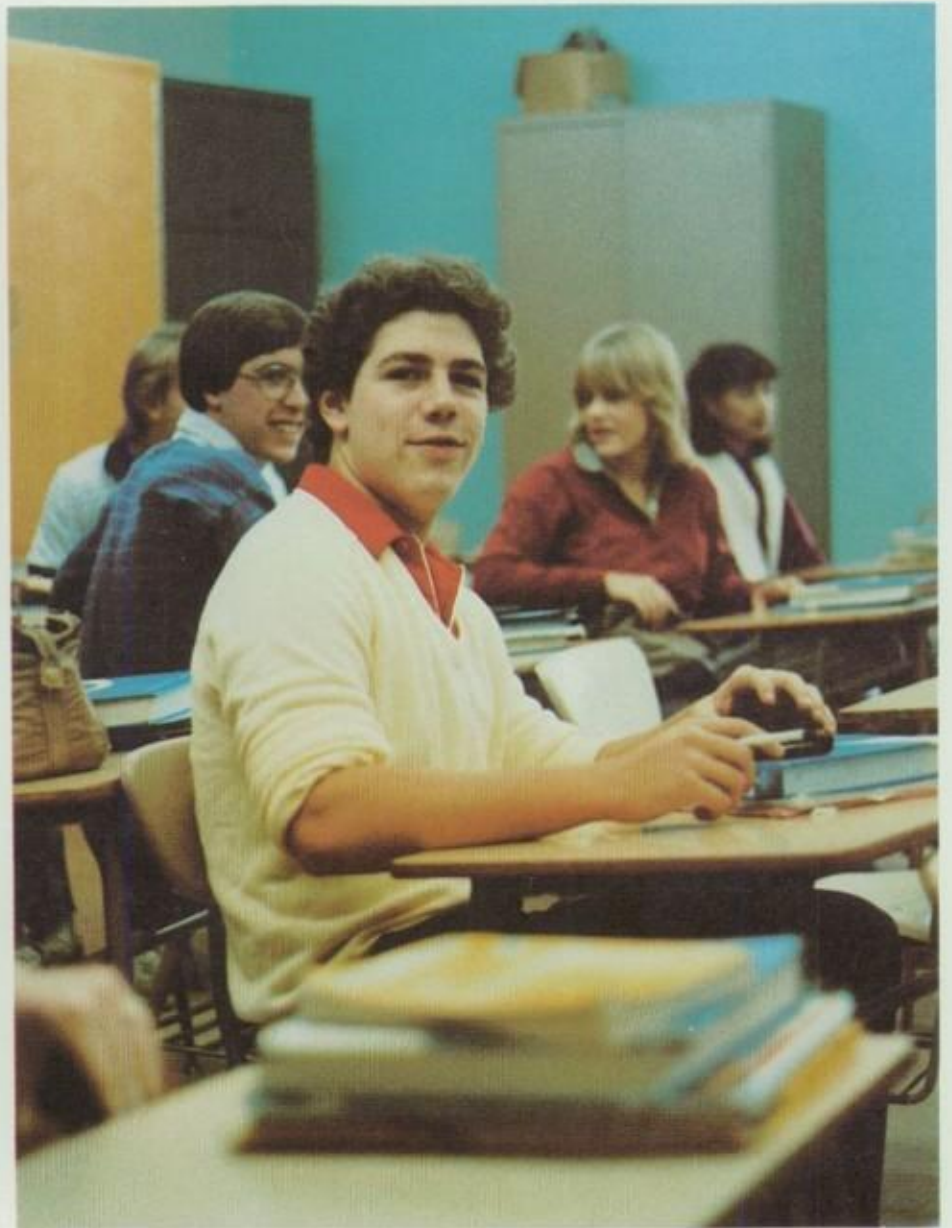

I'm Gonna Learn How To Fly.

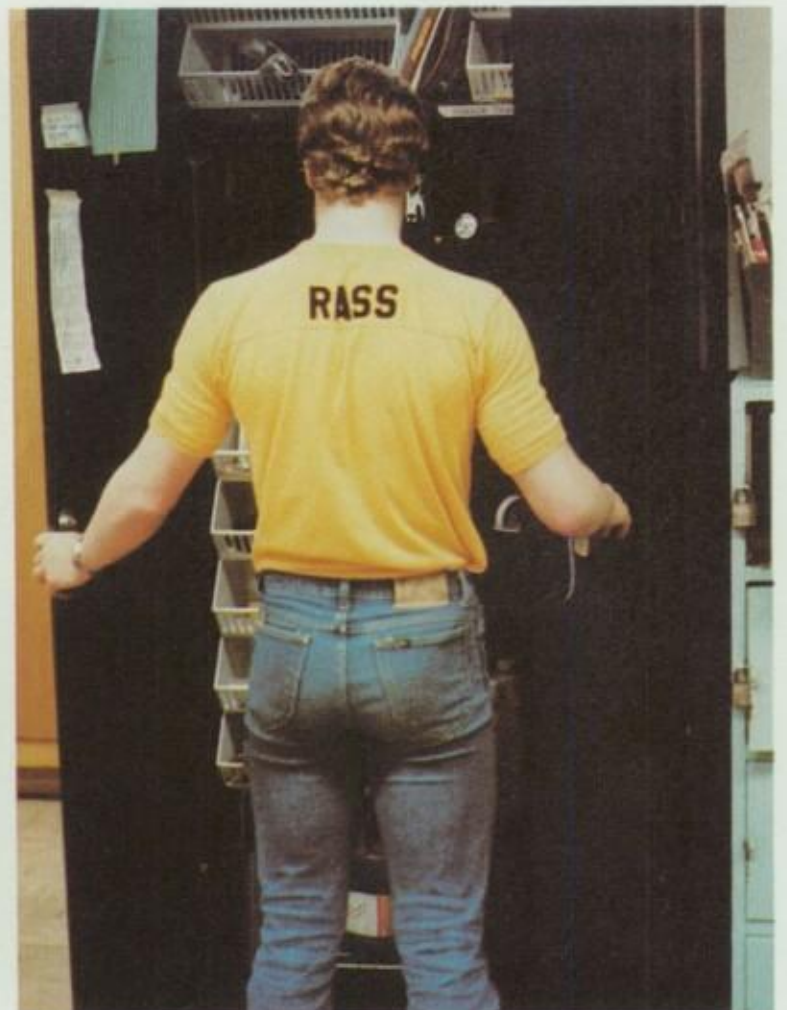

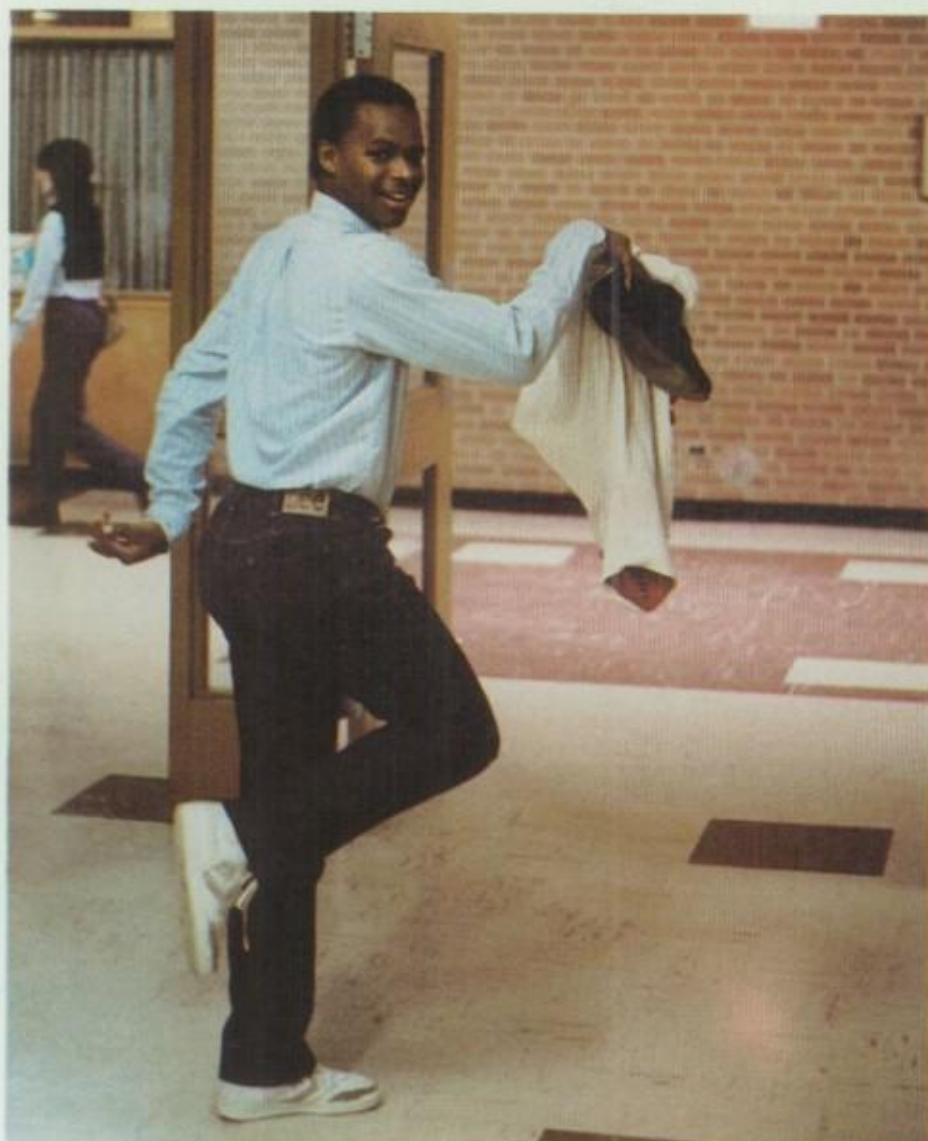

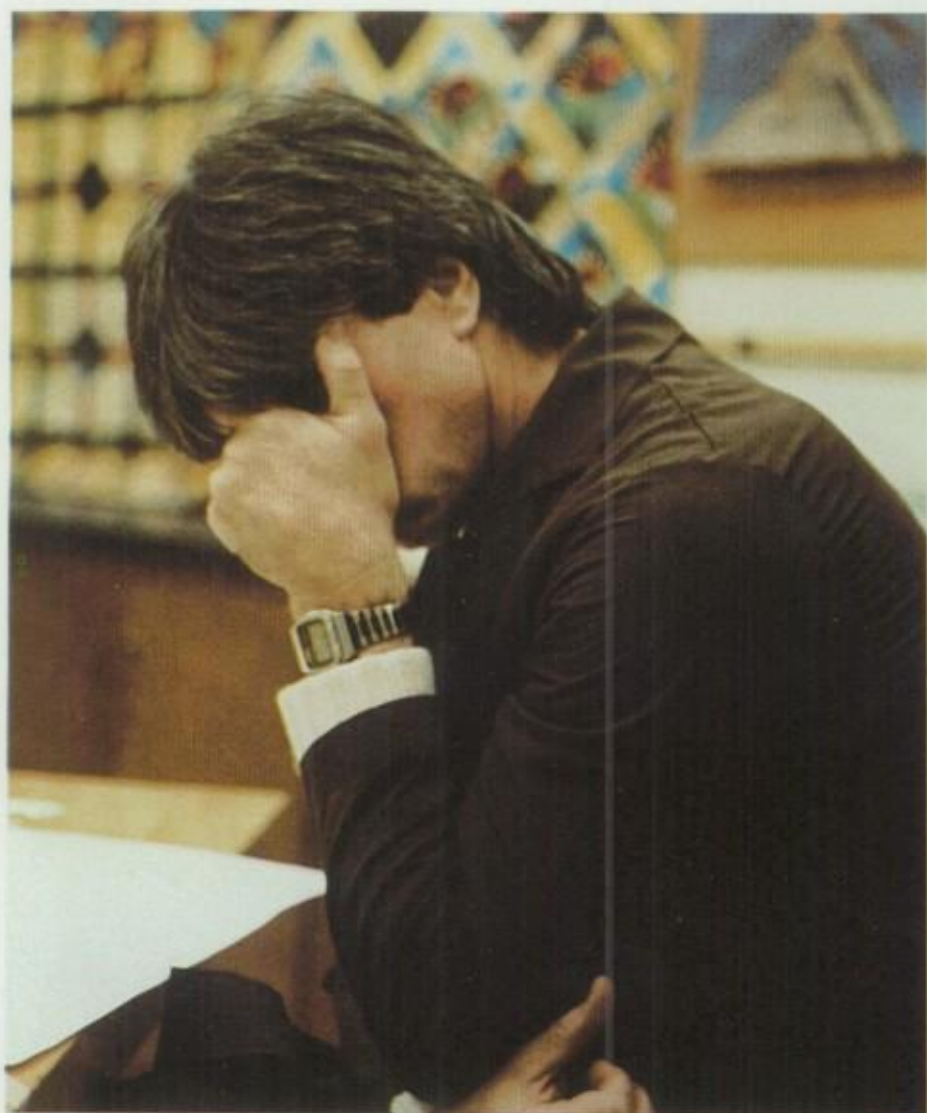

I Feel It Comin' Together.

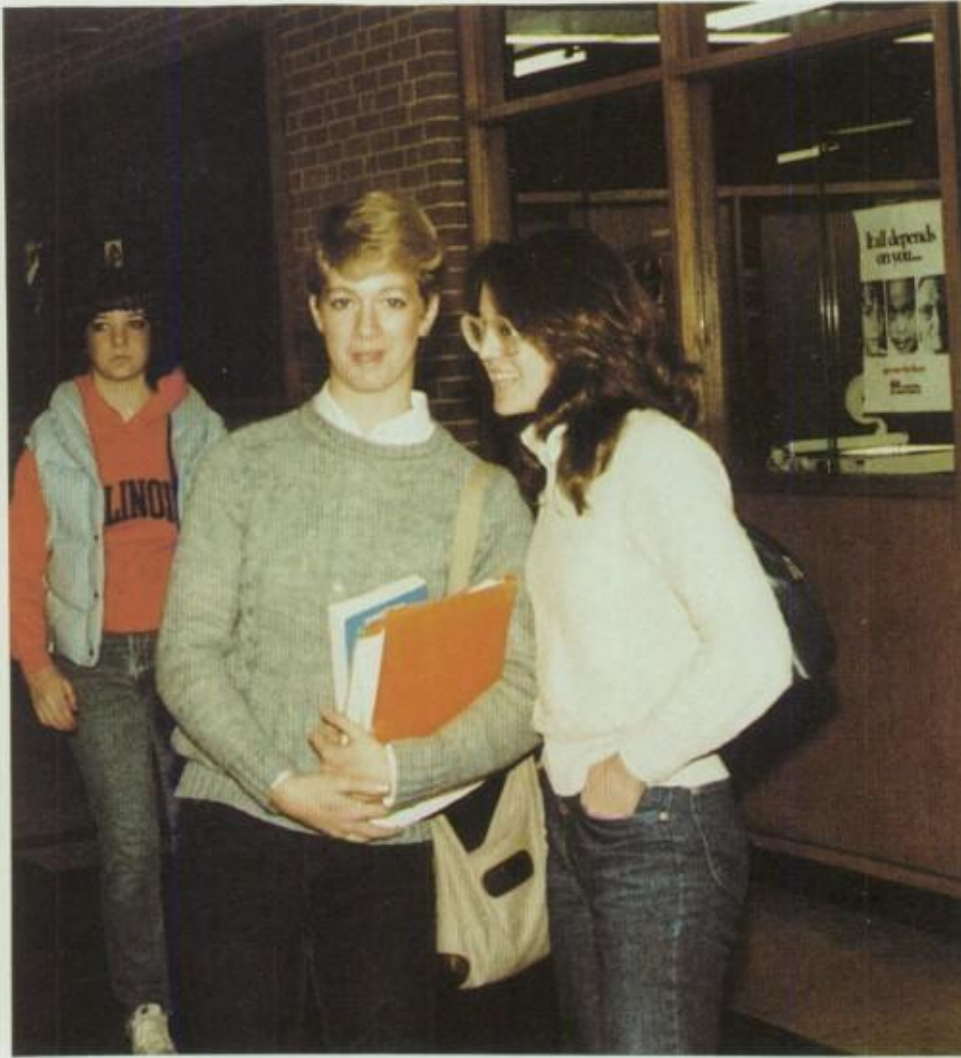

People Will See Me And Cry.

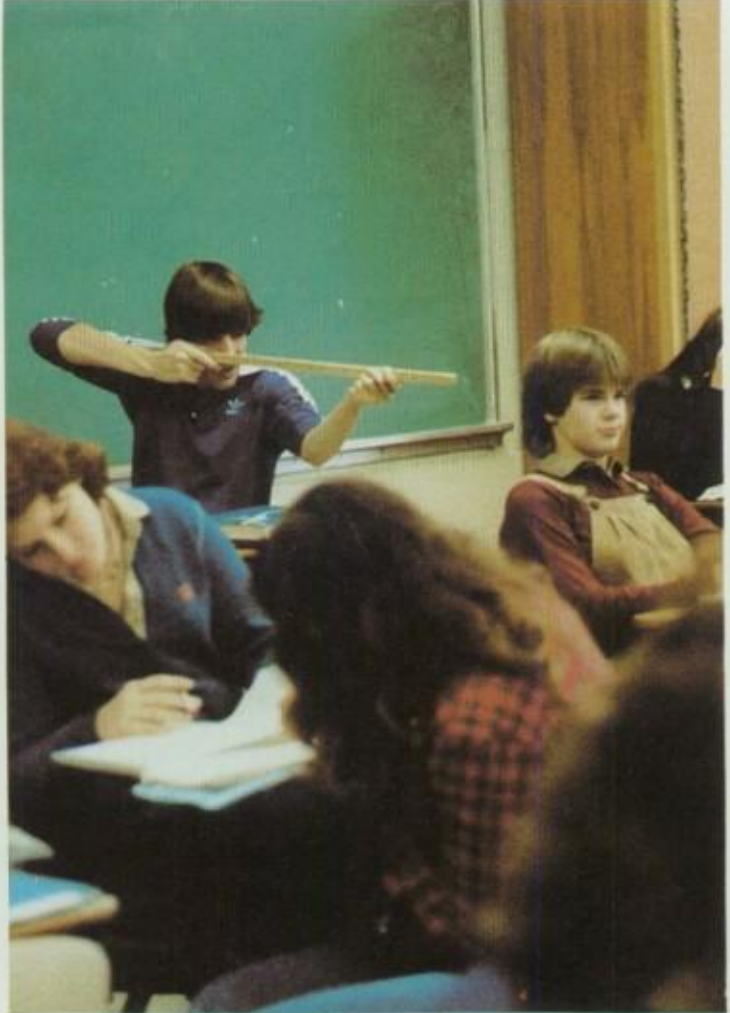

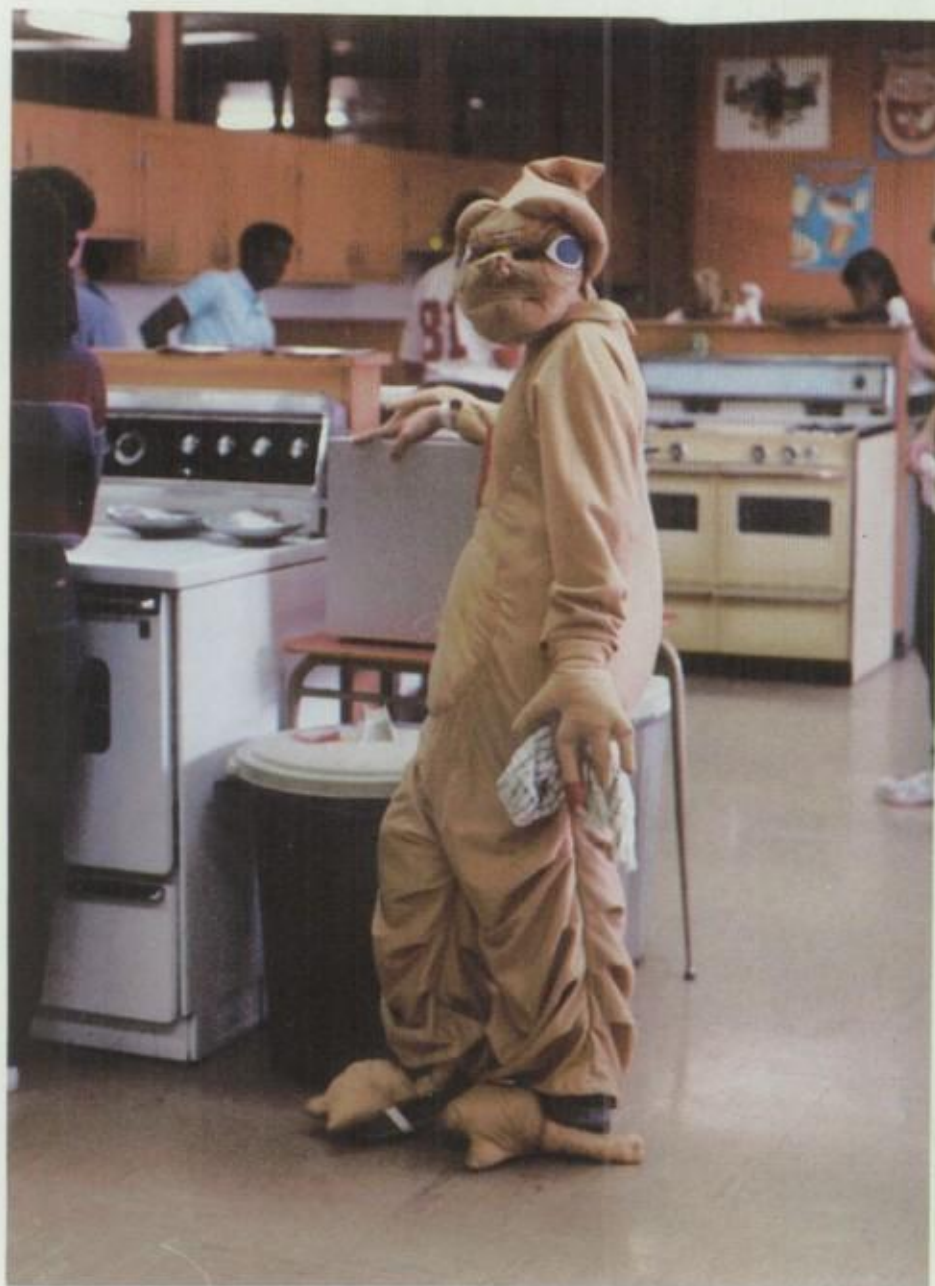

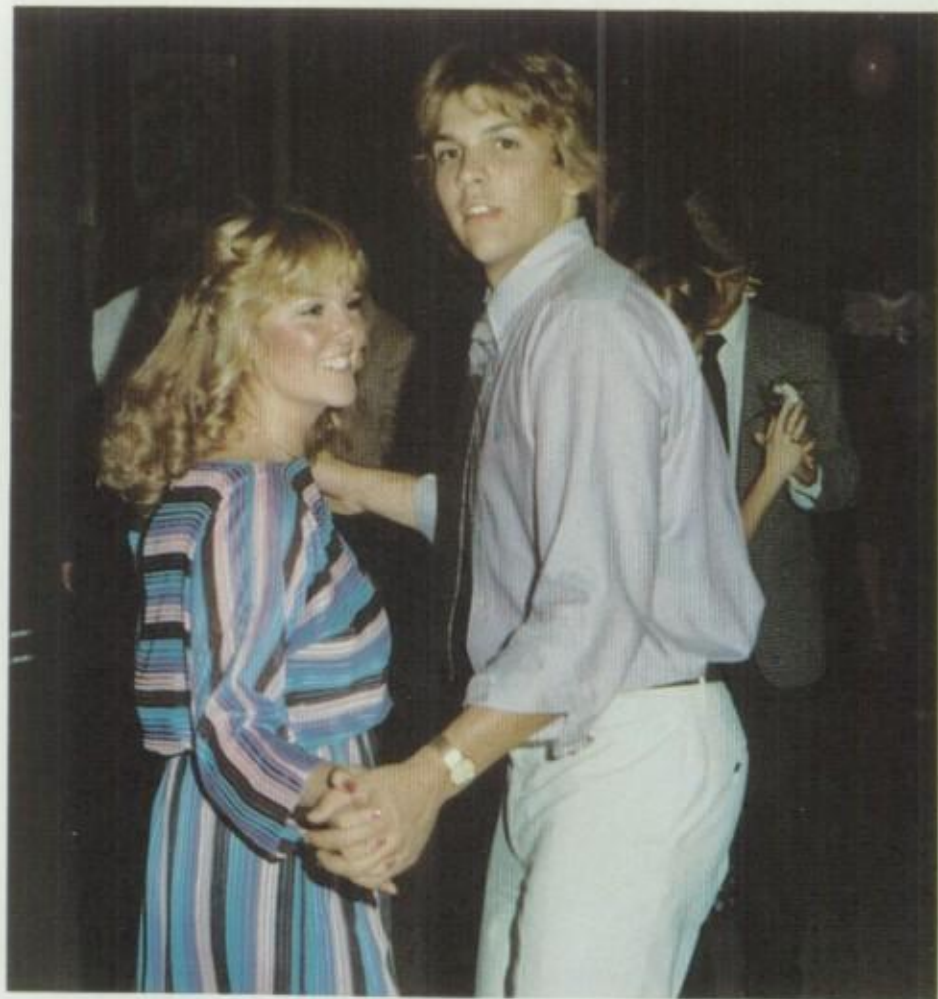

I'm Gonna Make It To Heaven.

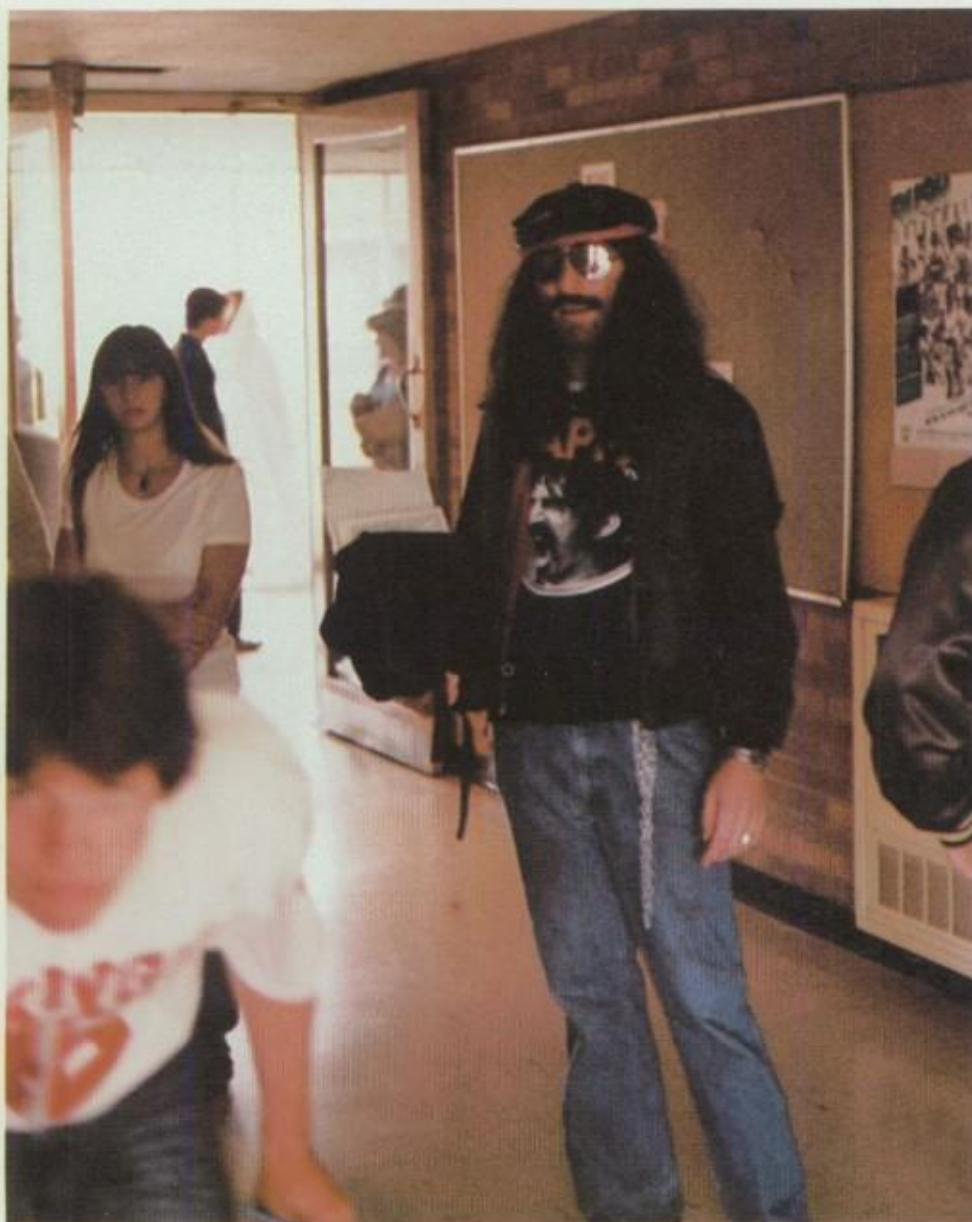

Light Up The Sky Like A Flame.

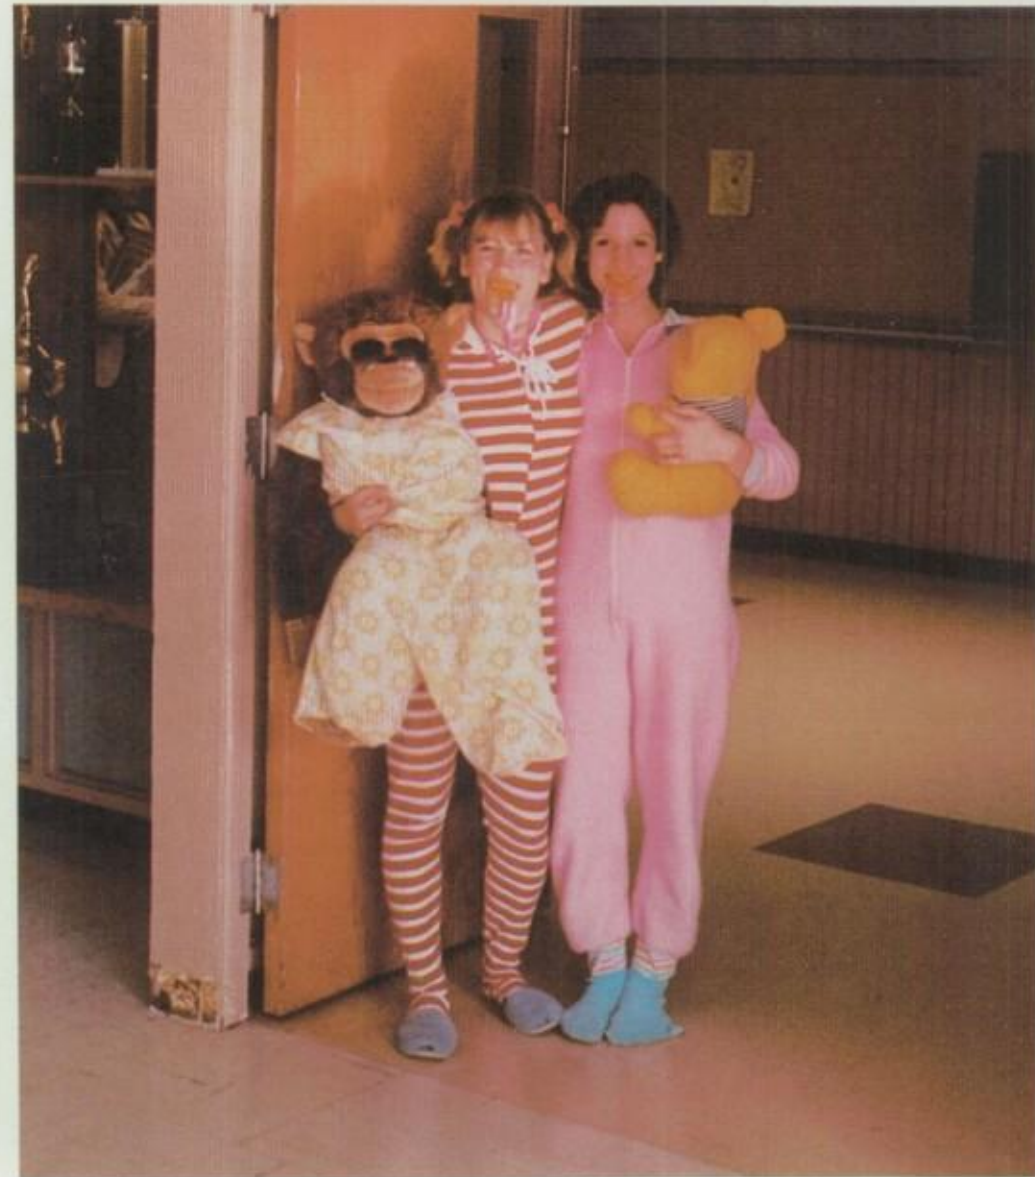

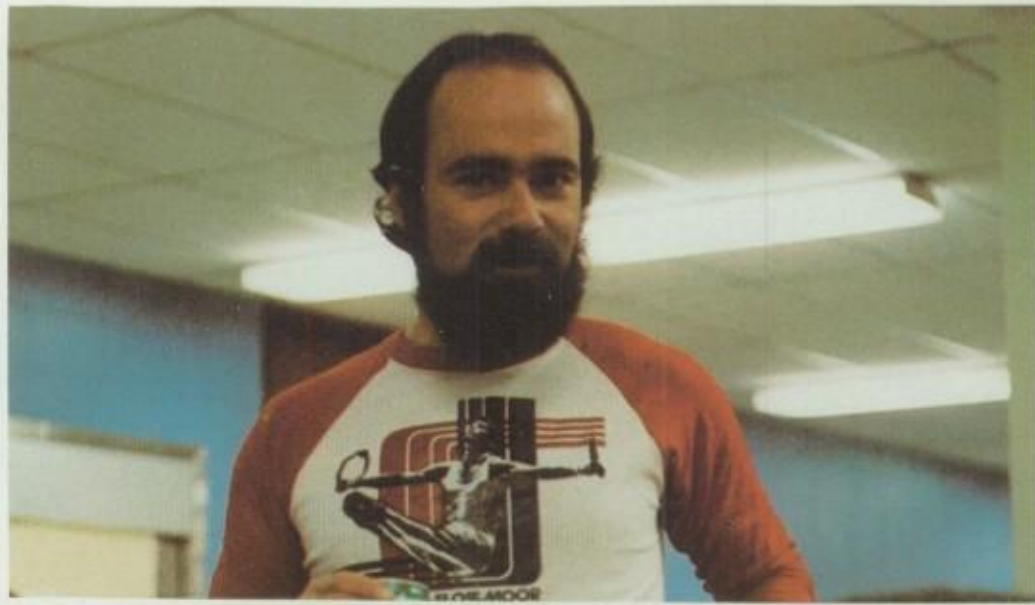

I'm Gonna Live Forever.

Baby, Remember My Name.

Remember, Remember, Remember . . .

Gifted Students Tour Eastern Colleges

During Spring Recess, fifteen juniors traveled to New England with Mr. Seegers to visit colleges in that region. Traveling to and from Boston by air, they visited such schools as Harvard, Yale, MIT, Brandeis, Tufts, Amherst, and Boston University. They had the opportunity to stay in dormitories at both Yale University and Dartmouth College. The major purpose of the trip was to provide instruction on appropriate college search techniques. In addition to fulfilling this goal, all the students found there is much fun in searching for a college with their friends.

Juniors Tour Washington

This year's Junior class departed for the Nation's Capitol on March 17 for 4 fun-filled days of touring and sight-seeing. In this short time, everything from the Lincoln and Jefferson Memorials, to the Arlington National Cemetery were visited. Some students were also able to see the Senate and Supreme Court in session. Juniors also took a trip to Jamestown and Monticello, Virginia, where they were able to visit Thomas Jefferson's tomb and mansion. The final day of the trip was wrapped up with an interview with Senator Percy, along with a tour of the FBI. There didn't seem to be anyone who didn't want to stay longer, except, of course, that everyone needed to catch up on their sleep.

Aquettes

Aquettes 1983 produced an untitled show this year. A limited number of faithful members worked especially hard to create the collection of aquatic exercises and formations.

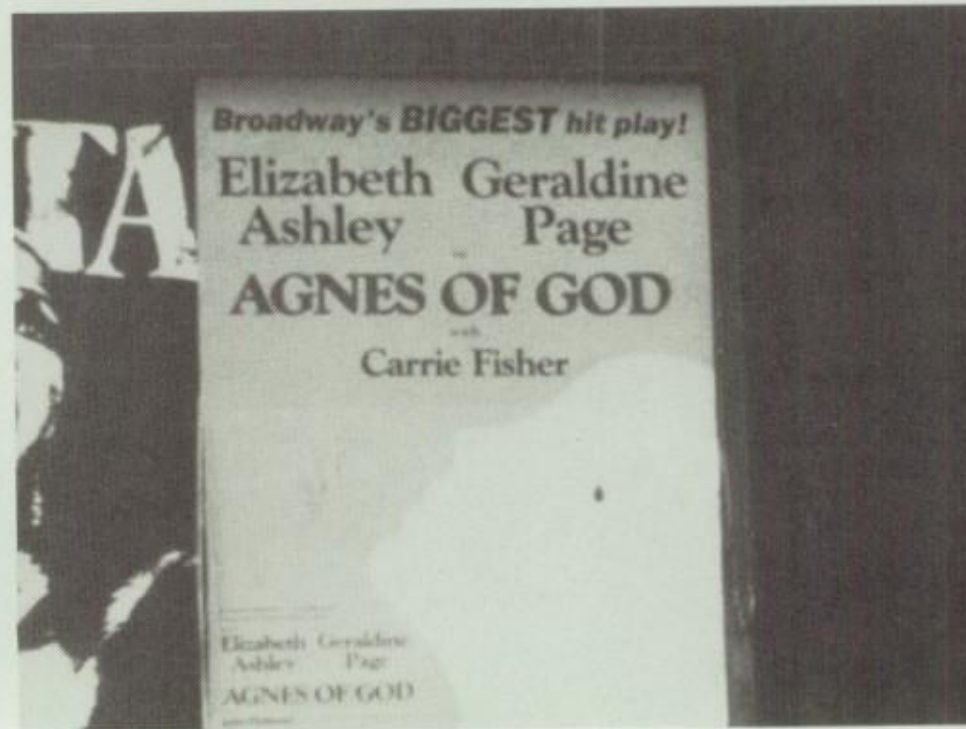

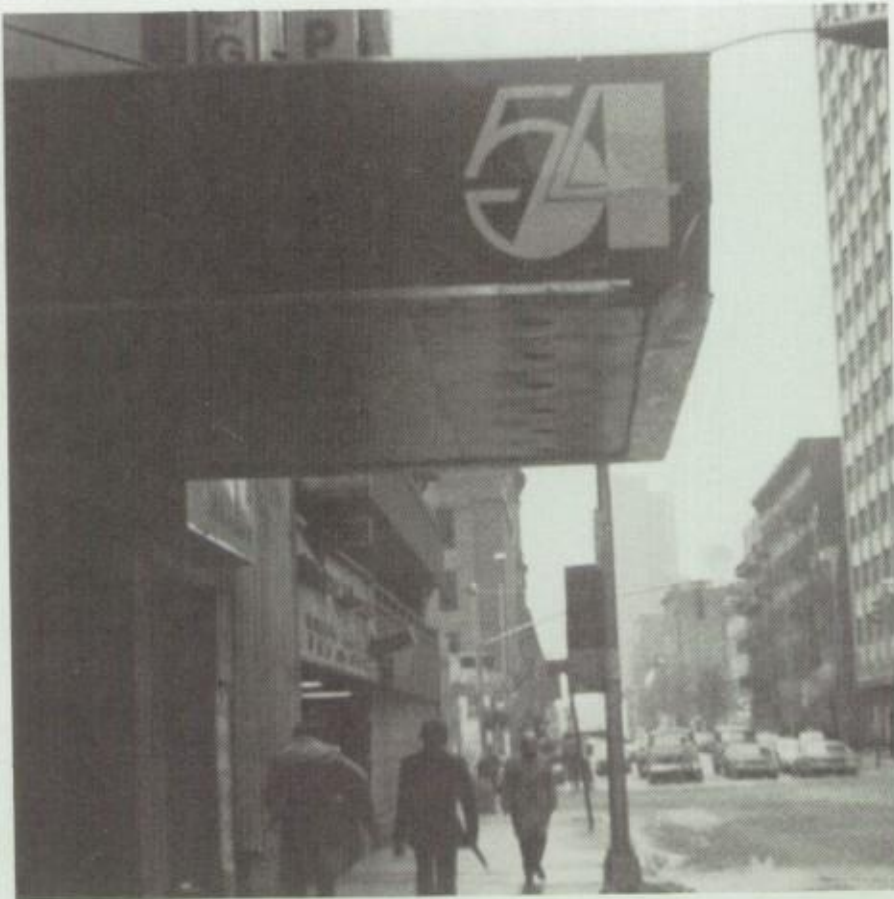

Members of the club wrote and directed the numbers. They designed their own costumes and scenery. Two months of concentrated effort paid off, providing a great performance for the "By Invitation Only" audience.

Voyager Visits The Big Apple

With all the help of Mrs. Kelly-Fernandez and Mrs. Jones, members of the Voyager staff had the opportunity to attend the famous Annual National Press Association Convention at Columbia University in New York City. In addition to attending lectures at Columbia, students also toured the Big Apple. Staff members dined at some of the world famous restaurants in the city, including Tavern on the Green, Mama Leone's, and Windows of the World (on 107th floor on "The World Trade Center"). They also attended a Broadway Musical "Cats", a play "Agnes of God", and shopped at elaborate boutiques on 5th Avenue.

Foreign Exchange Students

Bill Jedwab is a Brazilian exchange student. He is from Sao Paulo and is 17 years old. He likes telling his new friends at H-F about Brazil. He also enjoys meeting new people, going out with friends, and playing tennis and soccer. Bill's favorite food is pizza, similar to many American teens. Although America is very different from Brazil, Bill seems to be adjusting well.

Alexandre Azevedo made the most of his visit in America. The 17 year old exchange student from Para, Brazil, played on the Varsity basketball team this season. He has enjoyed several shopping trips to downtown Chicago. Alex is the only exchange student who left H-F before the end of the school year. He returned to Brazil at the end of February.

Petra Aarnio, a 17 year old Finnish exchange student, began school at H-F in August. She likes the wide variety of classes and people at H-F. She has tasted many different popular foods in the U.S. and likes tacos the best. Petra also enjoys shopping in downtown Chicago and playing the piano. After graduation, she will return home to Finland.

John Colleen is 18 years old, and he comes from Sweden. He came to the U.S. in the late part of August. He says that H-F is a larger school and our rules are stricter than his school in Sweden. He likes to eat corned beef and fried chicken, and in his spare time he enjoys lifting weights, swimming, and listening to music. All in all, he seems to like it here and at H-F, most of all because the people are "easy-going" and they like to joke.

All this frivolity upsets her sister witches who decide to test her allegiance by having her frighten two lost children. Turnabout-1983

Turnabout-1983

The 1983 Turnabout was certainly a "Night to Remember." The annual Battle of the Bands kicked off the weekly festivities for Turnabout during both lunches in the South Building cafeteria. Rider and Cross-fire squared off during the annual assembly. Rider won the honor of being chosen as back-up band at the Turnabout Dance. Mr. Muscle kings competed during the week, culminating with the awarding of Chester Ballard as champion during the assembly. Other surprises included the return of the Dallas Cowboy Cheerleaders, the Pac Man presentation, and the musical movements of the Pom Pons and the Cheerleading Corps. The 1983 King was Chris DeAngelis, accompanied by Senior Representative, Dave Greenberg, Junior Representative, Mark Van Beast, Sophomore Representative, Jim Hausman, and Freshman Representative, Andy Stone.

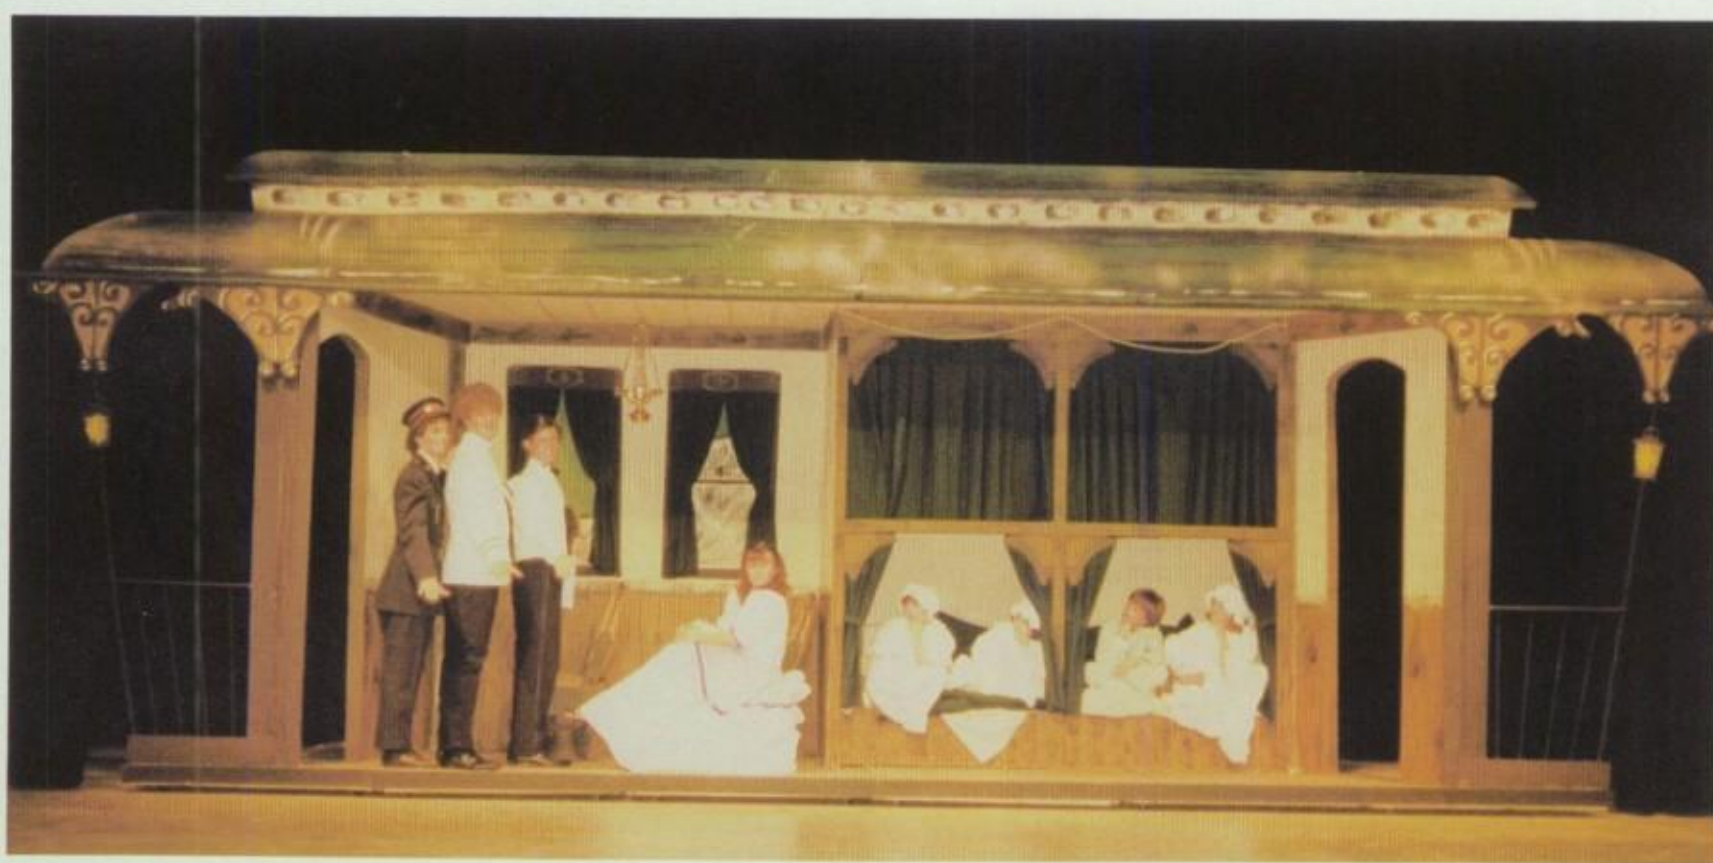

Spring Musical

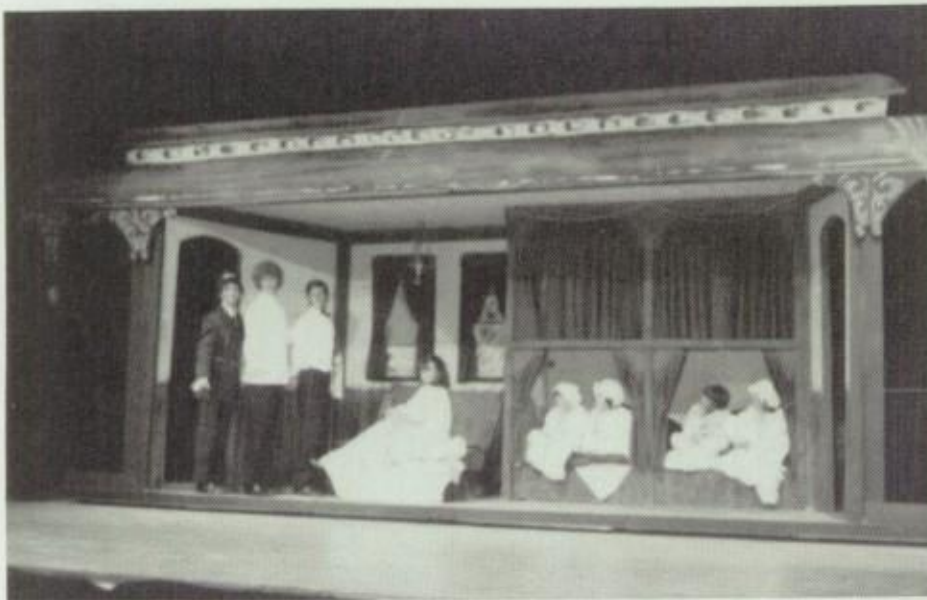

Annie Get Your Gun

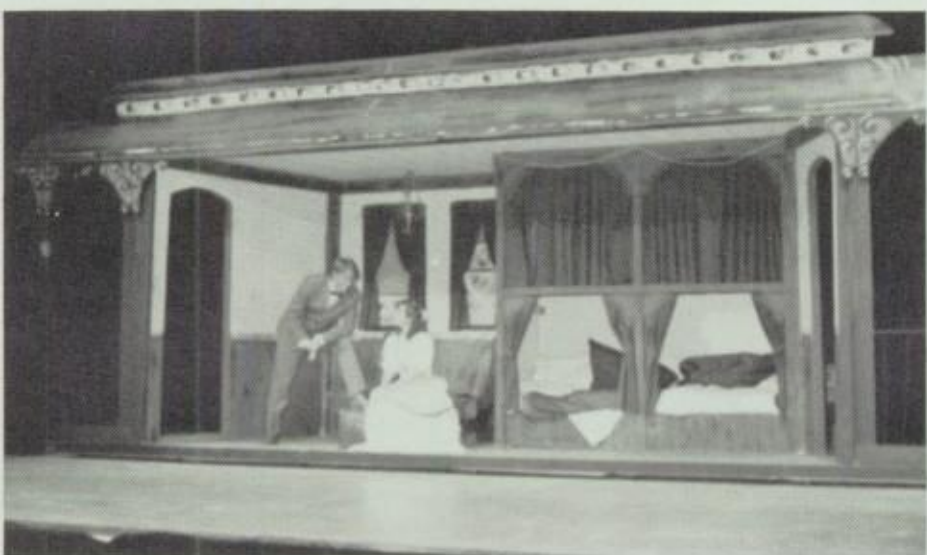

Annie Get Your Gun proved once again that each H-F musical is a "favorite" or the "biggest" or the "best ever". H-F audiences enjoyed hearing Irving Berlin's delightful music and watching a musical synopsis of Annie Oakley's life presented with lovely sets and excellent dancing.

Viking Choir Sings In Italy

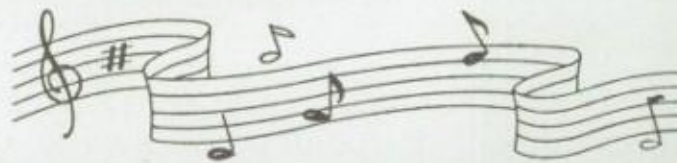

The Viking Choir traveled to Italy over spring break, March 31-April 9. The tour included performances at St. Anastia's in Verona, St. Mark's in Venice, Santa Croce in Florence, and the Spanish Steps in Rome. All concerts were well attended and well received by the Italian people with extended applause and encores accompanying each concert.

European travel includes many cathedrals and monuments in addition to a variety of classical and medieval sights, and this tour was no exception. Specific sightseeing included the fresco of "The Last Supper" and the Gothic cathedral in Milan, the Doges Palace, St. Mark's square, and the waterways in Venice. A gondola ride on the grand canal with choral accompaniment was a special treat.

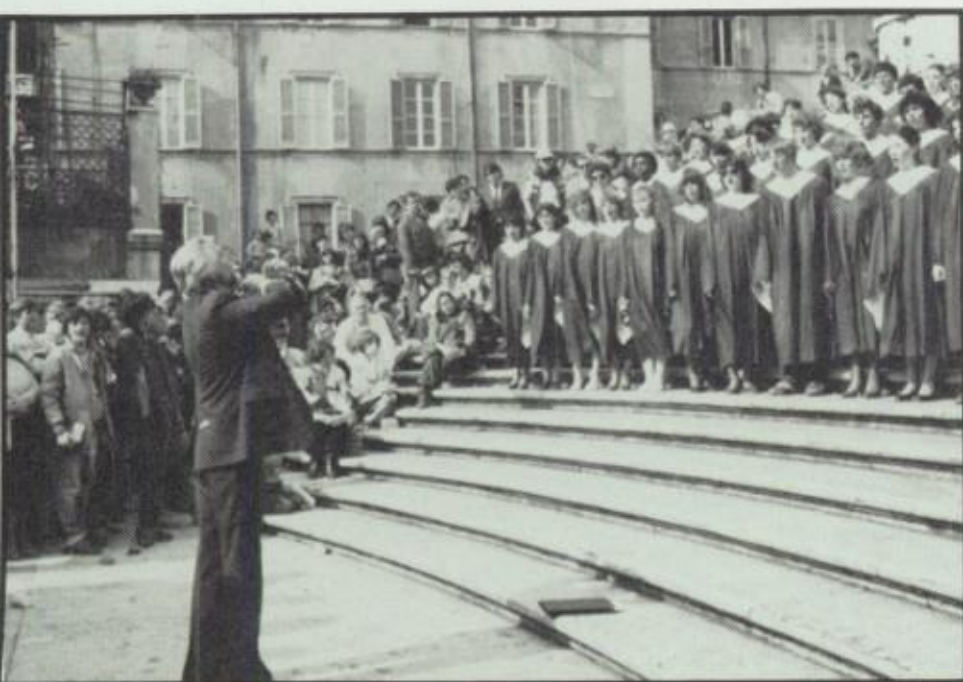

In Florence, the cathedral and baptistery, the Academy of Fine Arts with Michelangelo's David, and the Uffizi Gallery along with shopping for gold and leather provided the main attractions.

St. Peter's Square, the Vatican Museums and Sistine Chapel, and the Roman ruins of the Colosseum, Forum, and Circus

Spanish Classes

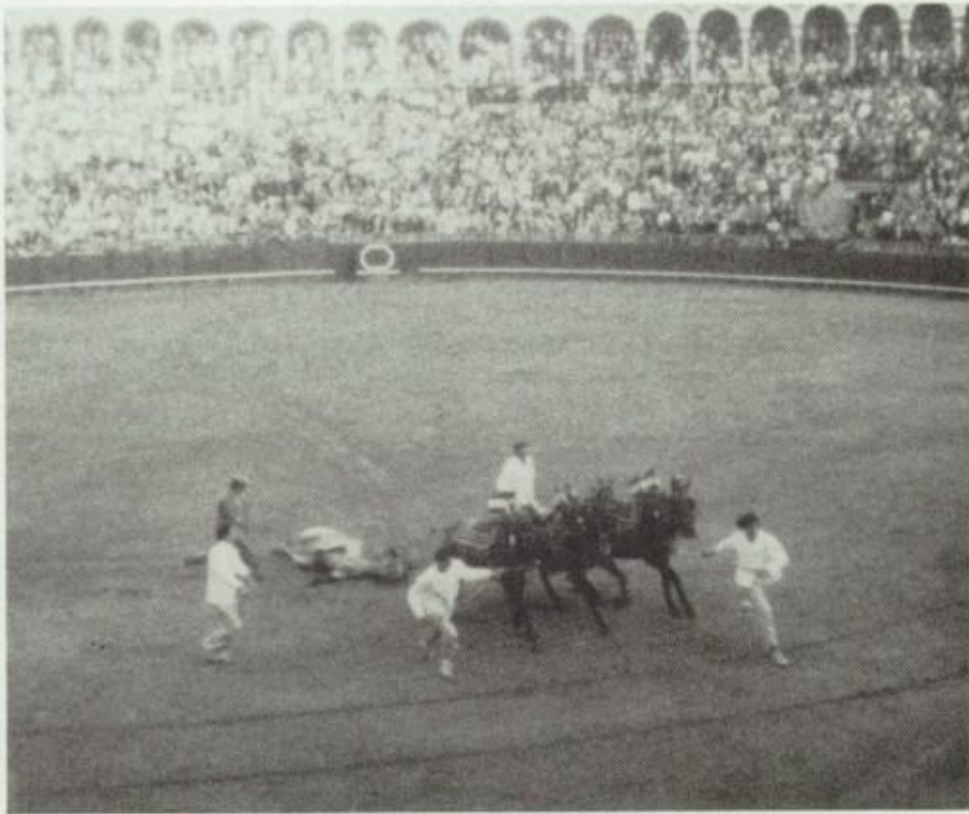

Hola! How was your spring break? 48 Spanish students had an "excelente" time while visiting Spain. They visited the cities of Sevilla, Granada, Madrid, Málaga, Toledo, and Segovia for 10 days during Spring break. They visited cathedrals, palaces, castles, the Prado, saw a bullfight, and a flamenco dance. In Málaga they walked along the coast of the Mediterranean Sea, and in Sevilla they saw the religious processions. Everyone was glad to finally get home, but they will all remember their trip to Spain.

Spring Festival

The Spring Festival of the Arts was held on Thursday, May 19, from 3:00 to 8:00 in the South Building cafeteria. This year's festival brought many excellent examples of student artwork including drawing, painting, watercolor and sculpture. In addition, there were exhibits by the woodworking class, machine shop, drafting, electronics, typing and film classes. Home Economics set up a fashion merchandising display and also sold refreshments. A special corner was set aside for Ken Kinney, to honor his years of service as an art instructor before his retirement. The jazz and string bands provided music to add a finishing touch to the great display of student talent.

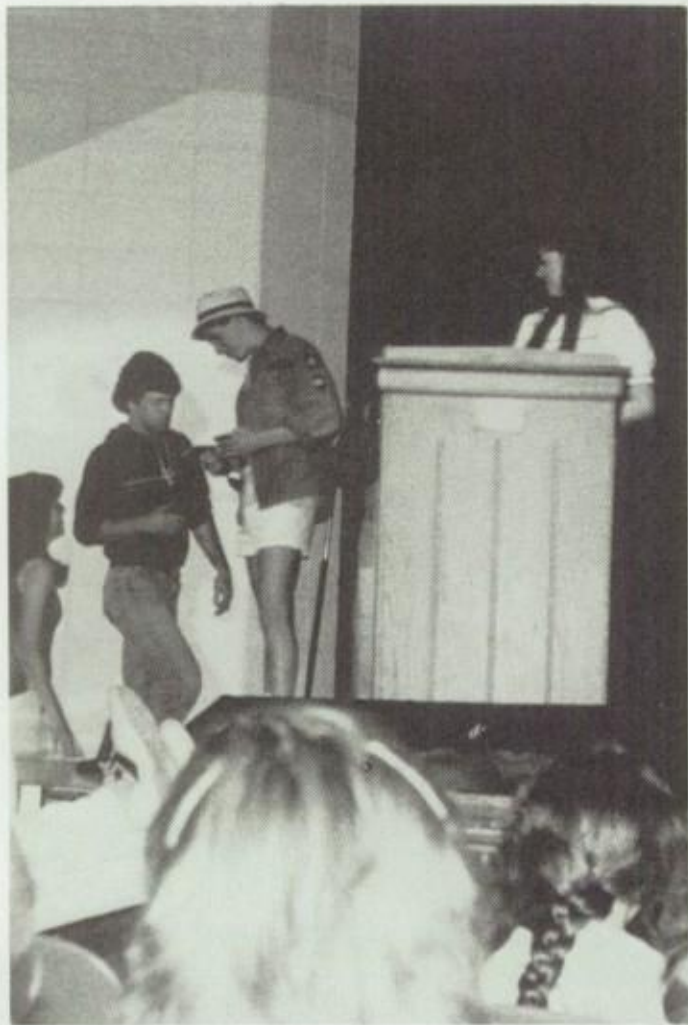

Of The Arts

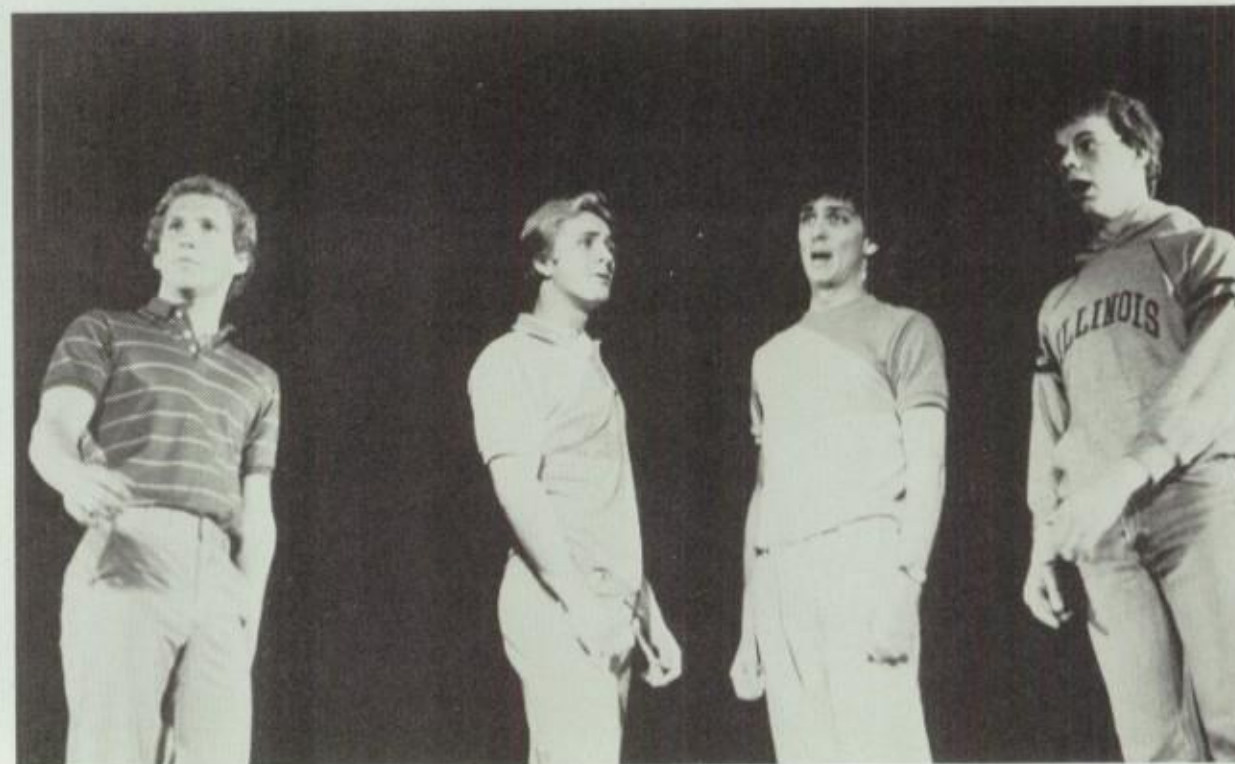

Senior Talent Show

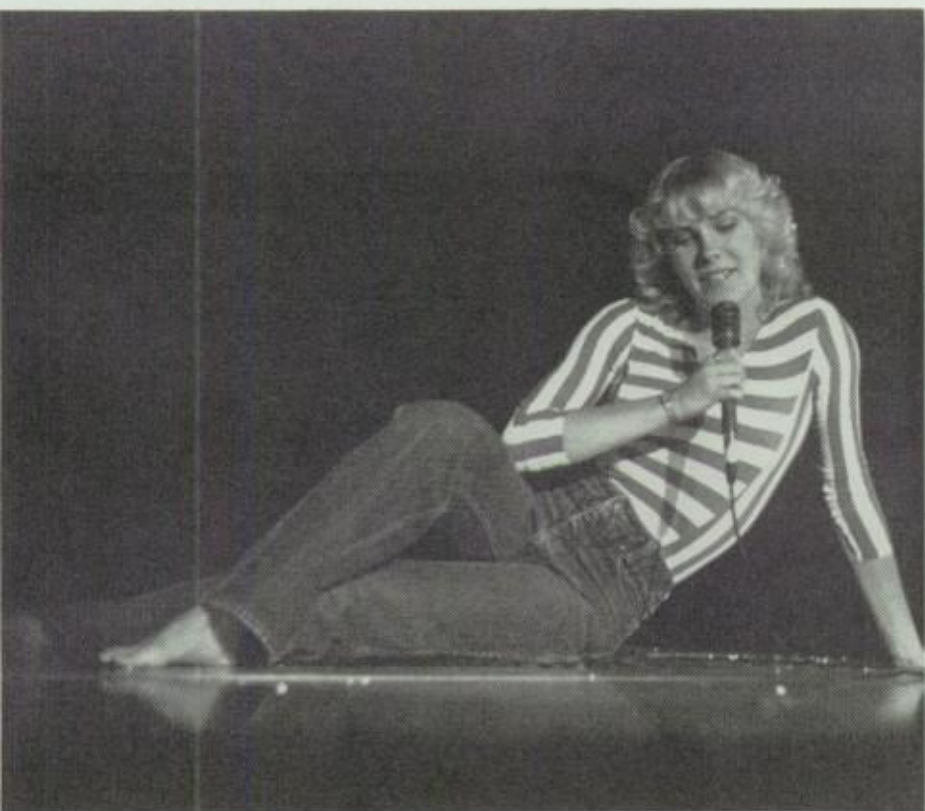

The Senior class went out in style with the Talent Show of 1983. Many awards were presented to senior standouts. Some of the favorite awards were: "I Love My Bod", "Frank and Fanny Flirt", and "Suck Face" award. Everyone enjoyed the entertainment of "The Weather Girls", "Party Heroes", and "Air Band" ("Twist and Shout"). After a walk down Memory Lane, seniors danced out to the tune of "Celebration."

1st row (L to R): The MC's: T. Kessler, D. Messier, K. Ahern.

Music

The music groups on the upbeat were Stray Cats and Men at Work. The Clash was extremely popular as was The Who. The Who's concerts were continuous sellouts as they made their last tour. (In clockwise order: The Who, Stray Cats, The Clash, and Men at Work)

That's entertainment and what a year we had! The creature from outer space, "E.T." won the hearts of many, young and old alike. "Tootsie" sent audiences laughing out of the theater as they watched Dustin Hoffman learn what it is really like to be a woman. "An Officer and a Gentleman" is a love story that will not soon be forgotten.

When not at the theater, many enjoyed the drama "Hill Street Blues." The life of students at the New York School of Performing Arts proved popular on the television show "Fame." We all bid a fond farewell to the long-running series M*A*S*H. It was a bittersweet moment as we watched the members of the 4077th go home. (In clockwise order: "Tootsie", M*A*S*H, "Hill Street Blues", "Fame", "E.T.")

News News News

Machines held new meaning for mankind in the 1982-83 year. Dr. Barney Clark was the first man to have an artificial heart transplant. Although he only lived for 112 days, a big step had been taken in the advance of medicine. There was a new turn of events when the Man of the Year was a computer! Jim Thompson barely squeaked by Adlai Stevenson in the Gubernatorial Election. One sad note of the year was the Tylenol disaster. Seven people died as a result of drug poisoning. It came as a shock to all when sportscar entrepreneur, John DeLorean was accused of dealing cocaine. As the recession continued, so did President Reagan's cutback program.

Anyone for more football?!! A new league, the U.S.F.L., was established. As a member, the new Chicago Blitz appeared promising. Despite the N.F.L. football strike at the beginning of the season, Superbowl seventeen proved exciting as the Washington Redskins beat the Miami Dolphins. In the world of ice, the Chicago Blackhawks had a rewarding season. As for baseball, St. Louis fans were ecstatic as they watched the Cardinals beat the Milwaukee Brewers in the World Series.

Retirement

Pete Buchas has been teaching at H-F for the past 24 years. In that time he has taught German and Russian. He also served as a foreign language department chairman for five years. Mr. Buchas plans to enjoy his retirement by doing a lot of fishing.

John Campbell has taught at H-F for 13 years as a Drivers Education instructor. In addition to his teaching duties, he also coached Gymnastics for 25 years, Baseball for 22 years, and several years of football and golf. Mr. Campbell plans to spend his retirement traveling and relaxing.

Ken Kinney has taught at H-F for 21 years as an art and photography instructor. Mr. Kinney was also the Yearbook advisor for 17 years while at H-F. Over the years he has developed one of the best equipped high school photo labs. Mr. Kinney plans to open up a photo service for homeowners-insurance in his home.

Rebecca Ziering worked at H-F for 19 ½ years. Before moving into greater responsibilities as a librarian and Director of the IMC, she worked in the audio-visual area. She brought a concern to her work and always put the students first. She plans to remain active among her family, friends, and social responsibilities in the community.
